## ABSTRACT FORMAT

---

All abstracts should be original research. Case reports may be acceptable although the onus is on the author to demonstrate the significance of the report.

General specifications are:

- Length: 250 words or less, excluding presenters and department
- Text should be single spaced.
- Do not indent paragraphs
- All abstracts must be submitted in English

Your abstract should contain the following:

- **Title:** Sentence Case (not all capitals)
- **Body of Abstract:** Sentence Case. Your headings "**Introduction, Aims, Methods, Results, Conclusions**" need to be bold. Each heading should be its own paragraph. Sub headings may be used but should not be given separate paragraphs.
- **References:** References (maximum of two) in a list following the abstract. The style of the references should follow either the Harvard or APA method.
- **Abbreviations** may be used but must be spelt out in full at the first mention followed by the abbreviation in parentheses.
- **Authors / Presenters:** Sentence Case. Authors' names should be supplied in the surname-last format and should be in initial capital/lower case, not all capitals. All affiliations must state the authors' institution, city and country. e.g.:  
Brown, G., ABC University, Auckland, New Zealand  
Smith, A., XYZ Hospital, Christchurch, New Zealand
